

### **Mrs. Conner's Laboratory Safety Contract**

#### **I agree to:**

- Not begin a lab without a teacher present.
- Wear safety goggles at all times when working on a lab.
- Work only at the assigned space and not visit friends at another station.
- Have only materials necessary for lab on the table.
- Never perform an experiment without the teacher's permission.
- Not use matches without the teacher's permission.
- **NO HORSEPLAY!**
- Never eat or drink in the lab.
- Never taste any of the chemicals.
- Wash my skin under cool water if any chemical comes in contact with my skin.
- Keep chemicals away from my face.
- Wash hands after every experiment.
- Use only heat resistant glassware for heating.
- Never use cracked or chipped glassware.
- Use a test tube holder when heating a test tube and point the open end away from me and all others.
- Never pour chemicals back into their bottles.
- Never take chemicals or other substances out of the lab.
- Never throw solids into the sink.
- Clean up spills and accidents immediately.
- Never leave a heating container unsupervised.
- Ask my teacher for help if I am having trouble or do not understand the lab.
- Report all accidents to the teacher

---

I, \_\_\_\_\_, have read and understood my teacher's safety rules, and I agree to abide by the safety regulations and any additional instructions, written or verbal. Failure to comply with the safety regulations which might cause harm to others, or myself will result in my removal from the laboratory.
